DIRECTIONS

Drivers:

From the East Bay/Bay Bridge: Take the 280 S Interchange toward Daly City. Take the Monterey Boulevard exit; turn hard right at the end of the ramp onto Diamond. Turn left at the next stoplight onto Bosworth St. and continue up the hill. Bosworth becomes O'Shaughnessy. Turn left at Portola Drive, the large intersection at the top of the hill. Turn right at Laguna Honda Blvd (2nd signal light) and continue down the hill until you see the little Triangle Park on your left. The church is on the right, at the corner where Laguna Honda and Woodside meet.

From the Peninsula: From I-280 N, take the Highway 1 exit; bear right when Highway 1 and Junipero Serra Blvd. separate. Bear right again onto Portola Dr. (at the Sloat Blvd. intersection). Continue up Portola and watch for the Laguna Honda Blvd. sign (about 1 mile). There is a left turn signal at this intersection. Follow Laguna Honda down the hill until you see the little Triangle Park on your left. The church is on the right, at the corner where Laguna Honda and Woodside meet.

BART riders: Transfer to MUNI metro at any of these BART stations: Embarcadero, Montgomery, Powell or Civic Center. Exit BART and enter MUNI (same underground stations). The fare is \$2.00 in coins only. There are change machines at each station.

You can save 25 cents each way by getting a BART to Muni transfer in the BART station before you exit the paid area. Hand the transfer to the Muni agent when you enter the Muni section and you will get the "return" section of the transfer back which you use when you enter Muni to go back to BART.

Also, you can get \$1 and \$5 bills converted into dollar coins at the Embarcadero station (maybe others too) right in front of the Muni entrance, and you can get dollar bills converted into quarters at BART ticket machines.

Pay your fare at the turnstile and keep your ticket as proof of payment. The Outbound K, L and M lines all stop at the Forest Hill Station MUNI Metro station (after the Castro Street Station). The church is 1 block up the hill from the station. Turn right upon exiting the station, then cross left and pass the hospital for one block. Cross Woodside Ave. The entrance is on the right side of the building. The church is also on the 36, 43, 44 and 52 MUNI bus lines. www.sfmuni.com.
